Dr. Yvette Lamberts MBChB.

Pierneef Medi-Spa - Pretoria, South Africa

„JETT Plasma Lift Medical is a revolutionary tool that I use in my aesthetic practise on a daily basis. I use it for skin tightening, collagen stimulation and the removal of minor skin imperfection and skin tags. The ultimate benefit of this portable device is the ability to perform eyelid tightening without the scalpal.“

Anastasios Sitaridis

Naturheilpraxis – Praxis für Ganzheitsmedizin & Ästhetik,
Germany

„After several performances with the Jett Plasma Pen I am more than satisfied. The application is relatively simple and the handpiece is very light. This makes it work pleasant. The results are excellent with the Plasma Pen, so that some of my patients could do without blepharoplasty.“

<https://www.ulmheilpraktiker.de>

Reference Book

Brigitte Steinmeyer

Diamazing LTD, Switzerland

„With the Jettplasma medical pen I tighten upper and lower eyelids, smoothen wrinkles, tight, light sagging cheeks. I and my clients are enthusiastic about the results and I am sparing with a lot of hyaluronic injections as I can treat almost anything with a plasme treatment.“
